Supplementary Information

The SISTERS OF MARY is a religious congregation of women under the leadership of its Superior General, Sr. Maria Cho. It is a congregation recognized by the Congregation of Religious Institutes in Rome on March 2, 2000 as a Religious Institute of Pontifical Right.

Founder: Venerable Aloysius Philip Schwartz (1930-1992)

Founded on: August 15, 1964

Officially decreed as a Diocesan Religious Congregation on:

March 2, 1993

Declared as Religious Institute of Pontifical Right on:

March 2, 2000

Countries wherein charity programs for the poorest of the poor are operated and maintained: Korea, the Philippines, Mexico, Guatemala Brazil and Honduras

Overall Chairperson of the Board of all charity programs:

Sr. Maria Cho

Headquarters:

Sisters of Mary of Banneux, Inc. Biga, Silang, Philippines Purposes of the Sisters of Mary of Banneux, Inc.

- (a) To establish, operate and maintain a child welfare program for the care and education of underprivileged children, especially orphaned and abandoned children and street children, and to provide a free medical service program for the poorest of the poor;
- (b) To set-up, supervise and maintain a shelter for the destitute and the homeless, the care and rehabilitation of mendicants and the mentally or physically handicapped and shelter for unwed mothers;
- (c) To establish, provide and maintain a medical service program that will extend health and medical services to the above beneficiaries; and
- (d) To devise and maintain other programs to assist and serve the poorest of the poor.

Article 2 of the Constitutions of the Sisters of Mary defines their purpose as following Christ more fervently in prayer and more closely proclaiming the Kingdom of God particularly in doing good to people, concretely in terms of educational/vocational welfare of the underprivileged children or youth, medical care to the sick and the dying, shelter service to the homeless and the helpless.

Biga & Adlas, Silang, Cavite;

Talisay & Minglanilla, Cebu

Religious Sisters

The Sisters of Mary operates and maintains charity programs for child and adult welfare and medical care in the Philippines.

CAVITE and CEBU, Philippines

The charity programs in the Philippines continue to provide temporary shelter and general secondary education with intensive vocational training to boys and girls from the poorest of the poor families aged between 12-18 years old. Out-patient medical care for the poor and the students is provided by the infirmaries. The Sisters of Mary with the Brothers of Christ provide residential care and permanent shelter in Amadeo, Cavite to homeless mentally-challenged men. Out-of-school youth undergo classes in General Trias to prepare them for an acceleration examination to be eligible for a high-school diploma. Technical courses are integrated in these classes to further qualify the graduates for jobs. Expenditures include operating expenses, administrative expenses and other expenses.

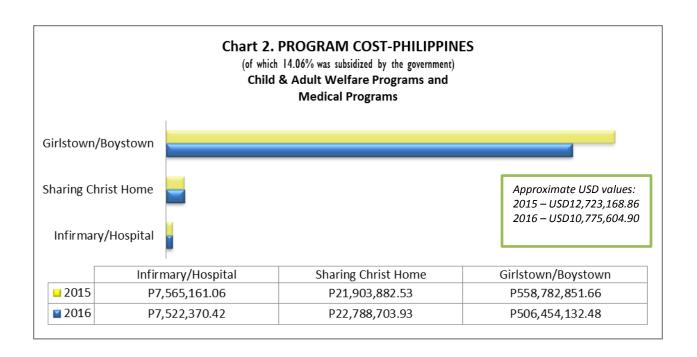

This year, all schools accommodated 5 grade levels from the 4 grade levels of the previous curriculum. Six grade levels will be accommodated in 2017.

Purchases of water filtration tanks, a dental chair, a dental x-ray machine, generator, braising pan, Vulcan kettle, and some spare parts for kitchen equipment were made for Cavite campuses. The Cebu campuses purchased lightning arrester, laundry machine and CCTV cameras.

Regular preventive maintenance and some level of repairs were made in all campuses this year. In the Cavite campuses, showers were re-piped, a walk-in freezer was fabricated, a fitness gym was set up and a carpentry shop was erected. The Cebu campuses had structural retrofitting of their workshop, installation of dry wall partitions for a building, roofing of workshops 1 & 2.

To meet the demands of the industry workforce, all schools purchased additional computer units, machines and accessories to upgrade the training given to the graduating senior high school students.
